Lesson plan webinar OER

May 12th

https://eu.bbcollab.com/guest/0e00056a06394f1186b8a8270de60f4f (guest link)

Time	Slide	Topic	Presenter	Chat moderator	To do in chat
Everyone: • Check audio and webcam • No tabs open with audio notifications (Slack, WhatsApp, Mail etc.) • Google Hangout open as back-up communication channel (Moderator chat is first option) Frederiek: • Upload slides in Collaborate • PollEverywhere open en nog een keer testen					
… - 10.00	1	Before start	Frederiek	Mira	Welcoming participants *You can switch off the (audio) notifications by clicking on the gear wheel symbol (My Settings) in the lower right corner of your screen. Go to Notification settings and untick all the boxes.*
Frederiek starts recording					
10.02 - 10.08	2+3	Welcome (Who we are + why here)	Frederiek	Mira	*For more information about the Acceleration Plan (Versnellingsplan), see here: https://versnellingsplan.nl/ (the website is unfortunately only in Dutch)*
	4	House Rules	Frederiek	Mira	*If you have any questions during the webinar, please write them down in this chat and we'll try to answer them right away. You can also save your questions and ask them in the Q&A afterwards.* *You can find the slides here: https://bit.ly/webinarOER*
	5+6	Goals + agenda	Frederiek		
10.08 - 10.22	7 - 36	OER and copyright basics	Michel	Lieke	
10.22 -	37	Quiz PollEverywhere	Frederiek	Raquel	*Please use the following link to go to the short quiz on copyright: https://bit.ly/OERquiz*

10.30					*You can use this handout if you need a little bit of help:* *https://commons.wikimedia.org/wiki/File:CC_License_Freedom_Scale_Chart.png*
10.30 - 10.45	38	Why use OER?	Mira	Raquel	*In the slides' notes are two more links on why to use OER in your teaching to explore further after the webinar. You can find the slides here:* *https://bit.ly/webinarOER*
	39-44	Finding Appropriate OER	Mira		
	45	Thematic Collections	Mira		
	46-47	Quality Criteria	Mira		
10.45 - 10.55	48	Barriers and thresholds	Frederiek	Mira	*List as many barriers and thresholds against integrating OER into your teaching as you can think of (submit each answer separately) and up- and downvote other responses given. Please follow this link:* https://PollEv.com/frederiek
10.55 - 11.00	49	Break			
11.00 - 11.03	50+ 51	Course Design	Frederiek		
11.03 - 11.15	52	Planning Template	Mira	Frederiek	*Have a look at the planning template here:* *https://oerworkshop.commons.gc.cuny.edu/wp-content/blogs.dir/3451/files/2019/07/2019-OER-Worksheet.pdf*
	53	Use OER of Others	Mira		
	54-55	Home Assignment	Mira		
11.15 -	56	Group Discussion	Mira	Frederiek	Frederiek creates breakout groups. *You will be put into breakout groups in a minute. You will still have access to this 'Everyone' chat*

11.30					*and we'll let you know in this chat when you have a minute left until the breakout groups will be ended. Also, if you experience any problems let us know here.* *Discuss with your group what kind of open practices and OER you already implement in your own teaching. To get you started think about these questions also:* *- If you are new to using OER, how can you envision using OER in your classes?* *- If you have already integrated OER into your classes, share an example of what you, or your students, have done with OER.* *- If you're in a non-teaching role, explain your interest in OER practices at your campus. What value do you feel they can provide in your specific situation?* *- How do you envision further involving students in their own learning with the help of OER?*
11.30 - 11.50	57	Inspirational Example + Exercise	Raquel	Frederiek	*Explore the Open Syllabus Project and their interactive co-assignment Galaxy Graph by following these links:* *https://opensyllabus.org/* *http://galaxy.opensyllabus.org/*
	58+59	Inspirational Example	Raquel		
	60	Inspirational Example + Exercise	Raquel	Frederiek	<mark>*Decide on the go if there's enough time for this one*</mark> *Click on the following link to get inspired by storymaps: http://storymaps-classic.arcgis.com/en/gallery/#s=30*
11.50 - 11.57	61-68	Creating and Sharing	Mira		
11.57 - 12.00	69	Feedback form	Mira	Frederiek	*Please help us improve this webinar by filling in the feedback survey:* *https://bit.ly/feedbacksurveyOER*
12.00 - 12.30	70	Q&A	Raquel	Frederiek	*If you have a question let us know by raising your hand. You will be given the right to use your audio and webcam, so that you can ask your question.* Frederiek gives participants the role of presenter.

Frederiek stops recording

Questions for Q&A:

[Discussion questions](#):

- If you are new to using OER, how can you envision using OER in your classes?
- If you have already integrated OER into your classes, share an example of what you, or your students, have done with OER.
- If you're in a non-teaching role, explain your interest in OER practices at your campus. What value do you feel they can provide in your specific situation?
- How do you envision further involving students in their own learning with the help of OER?
